

XL R300

Big and Strong!

With 40% more load volume than our standard tricycle and the greater capacity of 250kg, the XE R300 is the preferred tricycle for use in industrial warehouses and distribution. It may look yellow but this is very green!

**Internal cargo
area LxWxH**

1.01x 0.80x 0.58

Total trike LxWxH

2.44 x1.22 x1.00

Carry up to 250kg

26 x 2inch rims
